

Beginning Beekeeping Workshop

-Heike Williams, COARC Bee Research Technician

Bees are becoming more popular in the news and in society. If you are interested in starting your own hive, this class is for you. Participants will learn about: bee biology, beekeeping equipment, setting up your hive, box assembly, and basic beekeeping management.

THURSDAY, SEPT. 17TH
6 P.M.—7:30 P.M.

**Central Oregon Agricultural
Research Center**
850 NW Dogwood Lane, Madras

Free and open to the public. Light refreshments will be provided.
Please RSVP to Katie Ralls
